

Taurus Downlight

35W (Adjustable)

A larger downlight at 35W and adjustable up to 30° on a 355° rotation, this versatile fitting can be used in retail, restaurant, hotel and museum projects. Best suited for medium to high ceilings, the Taurus can be used for highlighting (e.g. merchandise, artwork) or general lighting.

The Taurus comes with interchangeable beam angle options and/or a honeycomb louvre to reduce reflected light glare over high shine surfaces.
