

Corvus Downlight

25W (Adjustable)

A moderately sized downlight at 24W and adjustable up to 30° on a 350° rotation, this versatile fitting can be used in retail, restaurant, hotel and museum projects. Best suited for medium to high ceilings, the Corvus can be used for highlighting (e.g. merchandise, artwork) or general lighting. The Taurus comes with interchangeable beam angle options and/or a honeycomb louvre to reduce reflected light glare over high shine surfaces.
